Good Evening,

Please be aware of the following comments on [youtube.com/watch?v=ComQsBSZMtU](https://www.youtube.com/watch?v=ComQsBSZMtU) which is the live stream from down town.

- People can be seen discussing that the police are blocking off the cars with barricades.
- The very same stream, you can hear a Smith Falls radio communication asking them to stand down.
- They are trying to organize 100+ people to bring jerry cans all at once to overcome the police.
